

Reception / Pro shop

Reception and Pro-shop areas will create the first impression of the clubhouse. As our aim is to show that TH is an upscale complex, this area should differentiate itself from regular designs. It should have all the functionality, which is needed for this area, but should have a touch of “luxury” through premium natural materials and original design.

Lockers / Sauna

- Male lockers with WC and Showers
- Female lockers with WC and Showers
- Common Sauna

Multifunctional space

Lounge area, which can be easily transformed into a conference space

Elements to be considered in design:

- Prize wall
- Fireplace
- Screen for presentations

Public WC

- Male WC
- Female WC
- Accessible WC

Terrace

Lounge-style terrace with differ kinds of seating groups.
