

## Desktop UPS specifications

- **Input Voltage:**
  - Voltage Range: 220V - 240V AC
  - Frequency: 50/60Hz
- **Output Voltage:**
  - Voltage: 220V - 240V AC
  - Frequency: 50/60Hz  $\pm$  1%
- **Power Rating:**
  - Capacity: 300W or more
- **Battery:**
  - Number of Batteries: 1 or more
  - Backup Time: 10 minutes (at full load) or more
- **Features:**
  - Surge protection
  - Short circuit protection
  - Overload protection
  - Automatic voltage regulation (AVR)
- **Connectivity:**
  - Output Sockets: 2 x EU sockets or more

Warranty Period: 1 year
