

Technical drawing of a door with dimensions. The door is shown in a side elevation view, featuring a diagonal brace and a handle. The dimensions are indicated by arrows and numbers:

- Overall height: 2.200
- Height from the bottom to the handle: 1.000
- Height from the handle to the top: 2.150

Technical drawing of a door frame assembly. The drawing shows a cross-section of the frame with a total width of 800 mm and a clear width of 770 mm. A dimension of 50 mm is indicated for the offset of the door edge from the frame.

Technical drawing of a door. The drawing shows a rectangular door with a diagonal line from the top-left corner to the bottom-right corner. The door is set within a frame. Dimensions are indicated on the left side: a total height of 2,200, a height of 2,190 to the top of the door frame, and a height of 1,000 to the handle. The handle is a horizontal bar with a circular knob. The door is shown in a slightly open position, with a dashed line indicating the closed position.

Technical drawing of a door frame assembly. The drawing shows a cross-section of the frame with a total width of 800mm and an opening width of 770mm. A dimension of 50mm is indicated for the offset of the frame from the wall. A dashed line indicates the swing of the door.
