Tender Announcement

Tbilisi Hills Golf & Residences is the largest development project, which has no analogs on the Georgian market as it combines premium class residential properties and professional 18-hole golf course. The territory is located next to the Krtsanisi region, the south-east part of Tbilisi, Teleti, Gardabani district and covers 331 ha of the land. Tbilisi Hills is going to build up to 380 private houses, 73 semi-detached houses, 20 three-story apartment buildings with up to 800 apartments, and infrastructure objects. In addition, the company is developing infrastructure facilities, such as roads, parking lots, power grid, and water supply lines. Construction works are implemented under the management and supervision of Tbilisi Hills Development and Construction LLC. Only high-quality building materials and modern technology are used in construction, which ensures the success of the project.
