3.0 NOTICE TO PROCEED

After contract award and submission of acceptable insurance certificates and copies of all applicable licenses and permits, the Contracting Officer will issue a Notice to Proceed. The Notice to Proceed will establish a date (a minimum often (10) days from date of contract award unless the Contractor agrees to an earlier date) on which performance shall start.

4.0 DOSAR 652.216-71 PRICE ADJUSTMENT (AUG 1999)

- (a) The contract price may be increased or decreased in actual costs of direct service labor which result directly from laws enacted and effective during the term of this contract by the Georgia Government. Direct service labor costs include only the costs of wages and direct benefits (such as social security, health insurance, unemployment compensation insurance) paid to or incurred for the direct benefit of personnel performing services under one of the contract line items listed in Section 2 of this contract. Price adjustments will include only changes in direct service labor costs incurred in order to comply with the requirements of the law. No adjustment will be made under this clause with respect to labor costs of personnel not performing direct service labor under the categories of Section 2, nor for overhead, profit, general and administrative (G&A) costs, taxes or any other costs whatsoever (b) For the contracting officer to consider any request for adjustment, the Contractor shall demonstrate in writing:
- (1) That the change in the law occurred during the term of this contract and subsequent to the award date of this contract; and,
 - (2) That the change in the law could not have been reasonably anticipated prior to contract award; and,
 - (3) How the change in the law directly affects the Contractor's costs under this contract.
- (c) The Contractor shall present data that clearly supports any request for adjustment. This

data shall be submitted no later than 30 calendar days after the changes in the law have been made public. This data shall include, but not be limited to, the following:

- (1) The calculation of the amount of adjustment requested; and,
 - (2) Documentation which identifies and provides the appropriate portions of the text of the particular law from which the request is derived.
- (d) In order to establish the change between the requested adjusted rate and the original rate, the Contractor shall support the appropriate data and composition of the original rate and the requested adjusted rate. This shall include details regarding specific hourly rates paid to individual employees. For contracts paid in U.S. dollars, the Contractor's request for price adjustment shall present data reflecting:

- (1) The exchange rate in effect on the date of the Contractor's proposal that was accepted for the basic contract; and
 - (2) The current exchange rate and its effect on payment of workers in local currency. The allowable adjustment shall be limited to the extent to which increases in direct service labor costs due to host country law changes are not offset by exchange rate gains.
- (e) Only direct cost changes mandated by enacted laws shall be considered for adjustment under this contract. Changes for purposes of maintaining parity of pay between employees at the minimum mandated levels and employees already paid at levels above the newly mandated minimums shall not be considered. Therefore, if the Contractor elects to increase payments to employees who are already being paid at or above the mandated amounts, such increased costs shall be borne solely by the Contractor and shall not be justification for an increase in the hourly and monthly rates under this contract.
- (f) Any request for adjustment shall be presented by signature of an officer or general partner of the Contractor having overall responsibility for the conduct of the Contractor's affairs.
- (g) No adjustment shall be made to the contract price that relates to any indirect, overhead, or fixed costs, profit or fee. Only the changes in direct service labor wages (and any benefits based directly on wages) shall be considered by the U.S. Government as basis for contract price changes.
- (h) No request by the Contractor for an adjustment under this clause shall be allowed if asserted after final payment has been made under this contract.
- (i) This clause shall only apply to laws enacted by the Georgia Government meeting the criterion set forth above in paragraph (b). No adjustments shall be made due to currency fluctuations in exchange rates.

(1) Are, are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) Have, have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement

terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at [22.1503\(b\)](#).]

Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. **For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.**
